---

## INTERIOR:

8-passenger configuration: club grouping of 4 individual chairs in the forward area, a 3-place divan opposite a single chair located further aft. An observer's jump seat is stowed in LH cockpit closet. The galley/refreshment center is located adjacent to the entry door and includes a coffee maker and a microwave oven. The private lavatory is situated rear of the passenger seating area. The passenger entertainment system includes an Airshow 400 map system, DVD player, a LCD monitor in RH forward cabin bulkhead, and 3G WiFi. The passenger seats are upholstered in "Pecan" colored leather. The divan is upholstered in beige fabric. The aircraft passenger chair seat cushions, observer's jump seat, and lavatory seat have been fire blocked to meet the requirements of FAR Part 25.853(c).
